# PAYING FOR COLLEGE

## FINANCIAL AID

We want to help you take the worry out of funding your education by guiding you toward many types of financial aid, including: scholarships, grants, SLCC Promise, work study and loans.

You can get started by completing the **Free Application for Federal Student Aid (FAFSA)** online at [studentaid.gov](https://studentaid.gov)

Federal School Code: **005220**

Apply as early as possible!

For specific information about the deadlines and application steps visit [slcc.edu/financialaid](https://slcc.edu/financialaid)

## GRANTS

Grants are gifts of money that do not have to be repaid under most circumstances. You must show financial need to qualify for grant programs. Most grant funding is limited, so early application is encouraged.

## WORK STUDY

The Federal Work-Study Program provides part-time jobs for students with financial need to earn money for college. You must apply for Financial Aid before being eligible for the Work-Study Program.

## LOANS

Federal Title IV loan programs assist students with their educational expenses and are repaid when the student is no longer attending or enrolled in at least six credit hours. SLCC participates in three federal loan programs: **Federal Perkins Loan**, **Federal Direct Stafford Student Loan** (subsidized and unsubsidized) and **Federal Direct Parent Loan for Undergraduate Students (PLUS)**.

# PAYING FOR COLLEGE

## SCHOLARSHIPS

SLCC has many great scholarship opportunities for first-year and continuing students. Scholarships are a great way to make college affordable and do not need to be paid back. Visit [slcc.edu/scholarships](https://slcc.edu/scholarships) for the most recent information about scholarships and application deadlines.

## HB 144 UTAH CODE: 53B-8-106

Students not eligible for residency due to immigration status, DACA recipients, asylum seekers, and/or undocumented students, may qualify for an exemption from non-resident tuition under the HB 144 Utah Code: 53B-8-106 Waiver. In order to qualify for the HB 144 Utah Code: 53B-8-106 Waiver, students must have attended a Utah high school for at least three years and have earned a Utah high school diploma or GED.

## SLCC PROMISE

SLCC Promise helps eligible students pay for education by covering the cost of tuition and fees when federal grants fall short. Visit [slcc.edu/promise](https://slcc.edu/promise) for details.

## TUITION PAYMENT PLAN (TPP)

A Tuition Payment Plan lets you spread your tuition and fees over four monthly payments for fall and spring semesters, and over three payments for the summer semester. A TPP does not reduce your financial obligation to the college. The first installment must be included at the time of application. There is a \$30 nonrefundable application fee per semester. Please apply and pay online through your MySLCC account. All students that are considered non-residents pay resident tuition for summer semester.

BE READY WHEN  
CLASSES BEGIN

## ▶ ARRANGE TO PAY TUITION

Paying your tuition and fees has never been easier. You have the option of paying online through SLCCPay+ (access via MySLCC), with an electronic check, savings account transfer, accepted credit card or debit card.

You may also pay by phone at 801-957-3914, by mail or visit one of our locations at Taylorsville Redwood, South City, Miller, Jordan or Westpointe campuses or our West Valley Center to pay in person.

Avoid late fees by paying at the time of registration or making timely payment arrangements.

## ▶ BUY BOOKS AND SUPPLIES

You can look up the books you need for your classes on MySLCC.

Log in to your MySLCC and go to the Semester Checklist tab. The Explore Your Textbook Options link is in the bottom right corner of the page.
