This two-year AS degree is designed for students who plan to transfer to programs at four-year universities or colleges. SLCC has developed articulation agreements with other state colleges and universities which make it easy for SLCC students to transfer their credits. Although SLCC has worked hard to make transferring to other institutions as convenient as possible, it is important to understand that specific course requirements for a degree vary among the state's four-year colleges. To optimize your educational experience at SLCC, please be sure to consult with the Family and Human Studies Academic Advisor.

If you have any questions about pursuing a degree in Early Childhood Care & Education, please contact:

Academic Advisor: Natasha Brenchley- 801-957-4294 or natasha.brenchley@slcc.edu
 Dept. Administrative Assistant: Brandi Benson- 801-957-5035 or brandi.benson@slcc.edu
