

STUDENTS WHO ATTEND WORKSHOPS DO BETTER. Fall 2018 – Summer 2019

ATTEND AS MANY AS YOU NEED TO SUCCEED!

Getting a higher score is not the end goal, learning Math is the real goal!

Research evidence indicates students who correct and learn from their test mistakes, achieve far superior results. Attend weekly Math 0980 Workshops with your question(s) in mind will help you **LEARN MATH**.

Become the student who is more likely to pass your MATH course, attend a workshop and engage with tutoring.
