

FIRST-YEAR HANDBOOK

SALT LAKE COMMUNITY COLLEGE

FALL 2024

Welcome to Salt Lake Community College!

On behalf of the entire SLCC community I am thrilled to extend a warm welcome to each and every one of you. This next step in your educational and career journey will be a challenging and rewarding one! It is my pleasure as the Vice President for Student Affairs to officially welcome you to our vibrant and caring community.

Please know that SLCC faculty and staff are here to support you and are committed to assisting you in achieving your personal, academic, and professional goals. To help support your pursuits, below is a partial list of resources and services that will enhance your college experience and academic success:

- Academic Advising
- Accessibility and Disability Services
- Athletics & Recreation
- Campus Card Services/OneCard
- Career Services
- Center for Health & Counseling
- Child Care & Family Services
- Dean of Students Office
- Financial Aid & Scholarships
- International Student Services
- Office of Diversity and Multicultural Affairs
- Office of the Registrar and Academic Records
- Orientation & Student Success
- Thayne Center for Student Life, Leadership and Community Engagement
- TRIO Programs
- Veterans Services

In addition to welcoming you, I would like to remind you of three of our core institutional values: community, inclusivity, and learning. We are fully committed to our core values and as an SLCC student we encourage you to honor these values in your actions with each other, in the classroom, and beyond our campuses. SLCC is a place for all students, and we value every individual without judgement or condition. Community is part of our name, and we invite you to fully participate in your learning experience.

We welcome you to help us be a model for inclusive and transformative education, enhancing the lives of individuals and our communities. We're glad you're here.

Sincerely,

A handwritten signature in blue ink that reads "Brett".

Brett Perozzi, Ph.D.

Vice President for Student Affairs

Table of Contents

Tip:
Check these
off as you go.

How to Use this Handbook

This handbook is designed for you to follow along during New Student Orientation, as well as provide you with essential information through the end of your first year at SLCC.

Here are some tips on how to make this handbook work for you.

1. Use the Table of Contents as a checklist.

The Table of Contents outlines the steps to take between now and the first few weeks of the term. Check off the items as you go along to keep track of what you need to get done.

2. Look up the resources that are relevant to you.

This handbook is just a starting point. Whenever you see something you are interested in, go to the **A-Z Index** at slcc.edu/azindex to find out more. Or ask **Brutus the Bruin** (SLCC's chatbot) for help—click on the blue chatbox in the bottom right corner at slcc.edu. Our website is also where you'll find the most current information.

3. Access it online.

Go to slcc.edu/oss for a PDF version of the handbook. You can access it through your mobile device and use the hyperlinks to go directly to our website for more information.

4. Ask us questions.

The handbook isn't meant to stop you from asking for help. If anything, we hope this handbook helps you think of more questions to ask!

Orientation & Student Success

- Additional Resources 28

Getting Started

○ Apply for Admission

If you have never attended SLCC, or have not attended for more than three years, you are required to complete an Admission Application. If you are a returning student and have been absent for one to three years, or have been admitted but did not begin classes during the semester you were admitted, you must complete the appropriate Admission Update Application in MySLCC.

A-Z Index: [Admissions](#)

○ Apply for Financial Aid

We want to take the worry out of funding your education at SLCC by guiding you toward many types of financial aid, including scholarships, grants, work study and loans.

You can get started by completing the Free Application for Federal Student Aid (FAFSA) online at fafsa.gov
Federal School Code: 005220

A-Z Index: [Financial Aid](#)

A-Z Index: [Undocumented Students](#)

○ Complete the Placement Process

Many classes at SLCC, especially English and math, require placement. Students who do not submit an ACT/SAT score will need to go through the SLCC placement process by visiting Testing Services. This process helps determine which class you will be most successful in. The SLCC Catalog specifies prerequisites for each course or if placement testing is required.

The English (EN) or math (QL or QS) class choice should be based on your program and transfer institution's requirements. If you are unsure about which course is right for you, please consult an academic advisor or the catalog.

A-Z Index: [Catalog](#)

A-Z Index: [Testing Services](#)

Transferring from another college?

If you have college credits from another college or university, you may be exempt from all or part of the placement assessment.

A-Z Index: [Transferring to SLCC](#)

○ Complete New Student Orientation

1. Degree Options (p. 4)

Whatever your educational goals, you have many options at SLCC.

2. Full-Time vs. Part-Time (p. 11)

I plan to be a full-time student
(12 or more credit hours)

I plan to be a part-time student

3. Course Placement (p. 12)

English Course _____

Math Course _____

4. Previously earned college credit (p. 13)

Include concurrent enrollment, AP, IB or transfer credit

5. First Semester Schedule

| Course | Credit Hours |
|--------|--------------|
| _____ | _____ |
| _____ | _____ |
| _____ | _____ |
| _____ | _____ |

○ Meet with an Academic Advisor and Career Coach

SLCC has many different advisors to support you along your journey: academic advisors, Salt Lake Tech advisors and career coaches.

Schedule an appointment through MySuccess (p. 17)

1. Log in to **MySLCC** > look for the **MySuccess** card > click on **MySuccess Login**
2. Click Home Page (**My Success Network**) > click on your Academic Advisor or Career Coach > Schedule > choose date, time, location and topic of meeting > check your BruinMail for confirmation email.

A-Z Index: [Academic Advising](#)

A-Z Index: [Career Services](#)

Advising Milestones to Success in College

Your academic advisor at SLCC will work with you at the following points to plan your journey to graduation and beyond.

1. Getting Ready & Registering

You'll meet your academic advisor at orientation to help you get registered for your first semester.

2. Goal Setting & Degree Planning

During your first semester, you will meet with an academic advisor to create an academic plan for completing your degree or certificate.

3. Transfer & Career Planning

Your academic advisor will identify resources to research your transfer institution or to work with Career Services in identifying career pathways through internships or job shadowing.

4. Preparing to Graduate

You're almost there! Meet with your academic advisor at 75 percent of your program completion to make sure you're on track to graduate.

5. Preparing to Work

Whether you're going to work now or after you transfer, your academic advisor will help you plan your transition from SLCC to your next step.

Understand Your Educational Path

○ Explore Degree Options

Are you planning to transfer to another institution to obtain a bachelor's degree? Explore a transfer degree:

Associate of Science (AS)

This degree is for you if you want to complete your general education and lower-division major courses before transferring to a bachelor's degree program. This is a great track for students who want to explore different academic options.

Associate of Arts (AA)

This degree choice is much like the AS degree with the addition of a foreign language requirement.

Associate of Pre-Engineering (APE)

This is a specialized program to prepare you to transfer into an engineering major at a university. You will be required to complete a significant amount of engineering coursework while taking fewer general education courses.

Associate of Pre-Science (APS)

This degree prepares you to transfer seamlessly into science-specific majors at all public universities in the state of Utah. This degree is designed to prepare and support you to take upper-division classes required for your baccalaureate science programs.

Are you planning to enter the workforce upon graduation? Explore a degree that prepares you to enter the workforce:

Associate of Applied Science (AAS)

If you're interested in a fast track toward an entry-level career, then this choice is right for you. AAS degrees require more program-specific courses with limited general education requirements.

Certificate of Completion (CC)

This path will help you focus on a specialized field of study that matches students with good-paying jobs that are in high demand in Utah.

Certificate of Proficiency (CP)

If you are already working in the field of your choice and you want an education to refine or improve your skills for a raise or promotion, you should investigate your options with this track.

Certificate of Achievement (CA)

If you want to jump-start your career and get prepared for an entry-level job, this alternative may be right for you.

Degree Sequence in Higher Education*

Associate's Degree (AA, AS or APE)

Bachelor's Degree (BA or BS)

Associate of Applied Science (AAS)

WORKFORCE

Associate of Science (AS)

Associate of Arts (AA)

Language Requirement

Associate of Pre-Engineering or Associate of Pre-Science (APE or APS)

Associate of Applied Science (AAS)

*The charts above offer a generalization of degree requirements. Please refer to your program's course catalog for a specific breakdown of requirements.

EIGHT AREAS OF STUDY

SLCC provides a guided program of study intentionally designed to enhance learning and clarify a student's route to program completion, a career and further education. Programs are organized into the following areas of study:

**Arts, Communication
and Digital Media**

Business

**Computer Science and
Information Technology**

Health Sciences

Humanities

**Manufacturing,
Construction and
Applied Technologies**

**Science, Engineering and
Mathematics**

**Social & Behavioral
Sciences, Education and
Human Services**

EIGHT PATHWAYS TO SUCCESS

Are you undecided about your program of study?

Career Services can help you explore major and career options.

A-Z Index: Career Services

Tip:

Visit slcc.edu/academics to explore each area of study. There, you will also find the **suggested first 5 classes** for each area. These suggested courses offer a great start for students who are not ready to pick a major.

If you are aiming for a specific bachelor's degree program:

Work with an academic advisor to build an educational plan that works best for you. They will guide you to resources that will help you find the appropriate courses to satisfy the requirements of the anticipated transfer institution.

"The prison education program here at SLCC highlights that no matter the situation you are in you have the ability to learn and strive to better your life through working towards a degree. Each time you step into each of your classrooms remember to be receptive to learn and most of all enjoy it! This program has been very helpful to remind me that your academic journey should be taken at your own pace and that you are never behind."

Li H. – Criminal Law

○ Full-Time vs. Part-Time

Full-Time = 12 or more credit hours

Part-Time = 1-11 credit hours

How long will it take to get my associate's degree?

How much will it cost?

| If you take this # of credit hours per semester... | 6 credits | 12 credits | 15 credits |
|---|--------------|--------------|-------------|
| This is how long it will take for you to graduate... | 10 semesters | 5 semesters | 4 semesters |
| This is the amount of money you will spend on tuition | \$12,372.50* | \$10,641.25* | \$8,513* |

*Based on the resident tuition rate. Check current tuition and fees for precise estimate.

Benefits of taking more classes:

- Save money and finish faster
- The cost of tuition is the same for 12-18 credit hours
- More chances to connect with faculty
- Scholarships may have minimum credit requirements
- Get honored for your academic achievement

If you're taking 9 credit hours or more and achieve between a 3.5 and a 3.79 GPA for the semester, you'll be placed on the Dean's List; achieve a 3.8 or higher and you'll make the President's List!

A-Z Index: Scholarships

A-Z Index: President's List

Also be aware of:

- Balancing work and family obligations
- Limitations on financial resources
- You are expected to maintain a minimum 2.0 GPA

How many classes do you have time for? Plan ahead.

Tip: For every hour in class, you should plan to spend at least 2 hours outside of class studying.
15 credits + 30 hours of study = 45 hours a week

A-Z Index: Study Skills

What types of classes are available?

SLCC offers a variety of methods of instruction to accommodate your study habits and needs.

| Course Type | Description |
|---------------------------------------|---|
| ONLINE | <p>Course is conducted entirely online. You will track, access, navigate and submit all assignments via an electronic platform.</p> <p>Is This For You? Good for students who are self-motivated and can keep track of deadlines on their own, who feel comfortable communicating online and enjoy working independently.</p> |
| BROADCAST/INTERNET LECTURE | <p>Course is entirely online; however, you will meet virtually as a class at specific times for lectures using web conferencing tools, such as Zoom or Microsoft Teams.</p> <p>Is This For You? Good for students who feel comfortable working online, but prefer meeting regularly every week for live lectures and the connection offered through a virtual classroom environment.</p> |
| HYBRID | <p>Course takes place both in person and online. Meets in a classroom once or twice a week for a total of 75-100 minutes. You will access, navigate and submit assignments via an electronic platform.</p> <p>Is This For You? Good for students who want to connect with other students (but not too much) and feel equally comfortable working in person and online.</p> |
| CLASSROOM LECTURE | <p>Courses may have limited online elements. Typically will meet two days a week in a designated classroom.</p> <p>Is This For You? Good for students who want to connect with other students, need to be in a specific location to learn effectively and prefer to receive instruction in person.</p> |
| LAB | <p>Courses may have limited online elements. Typically will meet one or two days a week in a designated classroom. Credit hours do not necessarily indicate amount of work expected.</p> <p>Is This For You? Good for students who want to connect with other students, enjoy a hands-on approach and want to learn the application of theory in practice.</p> |

○ Course Placement

Many classes at SLCC, especially English and math, require placement. Students who do not submit an ACT/SAT score will need to go through the SLCC placement process by visiting Testing Services. This process helps determine which class you will be most successful in.

You can determine which classes need placement or prerequisites in the catalog. The English (EN) or math (QL or QS) class choice should be based on your program and transfer institution's requirements. If you are unsure about which course is right for you, please speak with an academic advisor or check the catalog.

slcc.edu/academicadvising
catalog.slcc.edu

Consider:

- **How long it will take to complete your English or math requirements.** Everyone gets rusty if they haven't done something in a long time. The same is true with math and English. That is why it is important for you to go through the placement process early in your academic career. Knowing how long it will take you to finish your English and math requirements will help you better plan your academic schedule.
- **Which courses have prerequisites.** Many courses (including math, general education and program requirements) have English or math prerequisites. Many science courses also have math and English prerequisites, so don't wait to get started!
- **What your options are for repeating the placement process.** Going through the placement process is free the first time. There are also limits and expirations on some of the placements, so make sure you prepare well the first time and start taking English and math as soon as you can.
- **If you've completed college-level math or English courses at another college.** You may be exempt from all or part of the placement. See page 13 for details on how to transfer your credits to SLCC.

A–Z Index: [Testing Services](#)

Advanced Placement (AP) Exam Credit

- Official results must be sent directly from the College Board to SLCC Registrar and Academic Records.
- AP scores reported on high school or previous college transcripts will not be accepted.
- AP scores must be a score of 3 or higher for credit to be awarded at SLCC.

A-Z Index: [Transfer Evaluation](#)

International Baccalaureate (IB) Exam Credit

Students who achieve scores of 5, 6 or 7 on Higher Level International Baccalaureate (IB) exams may be awarded up to 8 semester hours of credit in each Higher Level exam or 22 semester hours of credit for the completion of the IB Diploma. For more information about IB credit, call 801-957-4738.

A-Z Index: [Transfer Evaluation](#)

Transferring from another college?

1. Order your official transcript from your previous school and submit it to SLCC in one of three ways:
 - **Submit electronically (best option):** Official transcripts must be emailed directly from prior institution to TransferEvaluation@slcc.edu.
 - **Submit by mail (mailing a transcript could delay the receipt of transcript and the evaluation turnaround time):** Official transcripts must be mailed directly from the other institution to:
[Salt Lake Community College](#)
[Transcript Evaluation](#)
[P.O. Box 30808](#)
[Salt Lake City, UT 84130-0808](#)
 - **Submit in person:** You can hand deliver transcripts only if they are unopened in the original envelope, bearing the official seal. Bring them to the Transfer Evaluation Office.
2. Complete the Request for Transcript Evaluation form.

A-Z Index: [Transcript Evaluation, Incoming](#)

Don't put it off. The evaluation process can take 2-4 weeks or longer during peak registration periods.

A-Z Index: [Transfer Evaluation](#)

○ Understand Degree Requirements

Every degree consists of two parts: general education requirements and program course requirements.

What is General Education?

General education is the part of a college curriculum shared by all students seeking a degree. It provides broad exposure to multiple disciplines and forms the basis for developing important intellectual and civic capacities.

A–Z Index: General Education

There are two places you can look up degree requirements, in the SLCC catalog or in DegreeWorks.

SLCC Catalog

Go to catalog.slcc.edu, select Programs of Study in the dropdown menu, then type your program into the search box and hit enter. Click on the link for the appropriate degree to see important information regarding your program, such as:

- Advisor contact information
- Transfer information
- Course requirements and recommendations
- Course descriptions (and any prerequisites) for every course offered
- A graduation map with sample schedules

Tip: Meet with an academic advisor and map out a plan of how and when you will complete all of the coursework.

"DegreeWorks has been a huge help. It helps me see what classes are needed for my specific degree and it helps me plan ahead, so I don't have to scramble when it's time to register. It has been great having this resource and has made my experience here at SLCC even better!"

Jordy M. – Business

DegreeWorks

DegreeWorks is a web-based checklist that allows you and your academic advisors to track your progress toward graduation and map out your educational plan.

- DegreeWorks audits are organized in blocks. The blocks show what requirements are needed for a specific degree or program, as well as what requirements you've completed (green) and those that are in progress (blue) with classes you're currently enrolled in.

A–Z Index: DegreeWorks

General Education for Associate of Science (AS) and Associate of Arts (AA) Degrees

For a complete listing of all approved general education courses, visit catalog.slcc.edu

CORE SKILLS (12–14 CREDITS)

Composition (EN)—Complete 2 courses

| | | |
|--------------------------|---------------------------|-----------|
| ENGL 1010 ^{**†} | Intro to Writing (EN) | 3 credits |
| and | | |
| ENGL 2010 ^{**†} | Intermediate Writing (EN) | 3 credits |
| or | | |
| ENGL 2100 ^{**†} | Technical Writing (EN) | 3 credits |

Quantitative Literacy (QL)—Complete 1 course

Math requirements are specific to your program of study. Remember to confirm which math class you need.

American Institutions (AI)—Complete 1 course

| | | |
|--------------------------|-----------------------------------|-----------|
| ECON 1740 ^{**†} | Economic History of the U.S. (AI) | 3 credits |
| HIST 1700 ^{**†} | American Civilization (AI) | 3 credits |
| POLS 1100 ^{**†} | US Government and Politics (AI) | 3 credits |

INSTITUTIONAL REQUIREMENTS (7 CREDITS)

Lifelong Wellness (LW)—Complete 1 course

Look for courses prefixed with HLAC (Health and Lifetime Activities) or HLTH.

Communication (CM)—Complete 1 course

International and Global (IG)—Complete 1 course

DISTRIBUTION AREAS (15-17 CREDITS)

Complete 1 course from each area.

| | |
|---------------------------|-------------------------------|
| Fine Arts (FA) | Physical Sciences (PS) |
| Humanities (HU) | Social Sciences (SS) |
| Life Sciences (LS) | |

DIVERSITY COURSE Choose 1 course marked (DV).

*A prerequisite course is required †Available online ‡Service-learning offered

See individual programs for possible program-specific recommendations in General Education.

NOTE: The **Associate of Pre-Engineering** and **Associate of Pre-Science** degrees have specialized general education requirements. Students should meet with their program advisor as well as a transfer advisor from the receiving institution regarding general education requirements.

General Education for Associate of Applied Science (AAS) Degrees

For a complete listing of all general education courses, please visit catalog.slcc.edu

CORE SKILLS (11–14 CREDITS)

Composition (EN)—Complete 1 course

| | | |

○ Plan Your First Semester

Academic Advising

Your academic advisor will work with you to plan your journey to graduation and beyond. At orientation, you'll meet with your academic advisor to help you get registered for your first semester.

A-Z Index: [Academic Advising](#)

Class Schedules

Schedules listing all classes available for each semester, including times, campus and room numbers, are posted online a few weeks prior to registration.

A-Z Index: [Class Schedule](#)

Academic Calendar

Check the academic calendar for registration dates, term start and end dates, tuition deadlines, class add/drop/withdraw deadlines and more.

A-Z Index: [Academic Calendar](#)

Bruin Scholars

A year-long program (fall and spring) designed to support a smooth transition into college. This program is for you if you are a first-year student wanting to get a step ahead on college success. Available at the Taylorsville Redwood, Jordan and South City campuses and at the West Valley Center.

A-Z Index: [Bruin Scholars](#)

○ Register for Classes

How do I start?

1. Create your MySLCC username and password.

- Go to slcc.edu, hover over MySLCC and **click on** MySLCC, or go to my.slcc.edu
- If you **do not know your username**, use the **retrieval tool** and follow the instructions.

2. Register for classes.

- Log in to **MySLCC>Register for Classes**.
- For step-by-step instructions and helpful tips, view SLCC's registration tutorials linked on the **Registration** tab or through the **A-Z index**.

A-Z Index: [Register for Classes](#)

Waitlisting

Important! If you are waitlisted for a class, **you must check your BruinMail daily**, available through MySLCC. **Once you receive notification** that you are able to register for the class, **you must register within 24 hours** or the spot will go to the next person on the waitlist.

Audit

If you intend to earn credit for a course, be careful not to select "Audit" when you register for the course. Audited classes are for self-enrichment purposes—you will not receive grades or earn credit.

Virtual Registration Assistance

In addition to offering registration assistance at any one of the Orientation & Student Success office locations, OSS staff can also help you virtually. Visit slcc.edu/oss/orientation/index.aspx to find out more.

"The Center for Health and Counseling is a great resource for all students who want affordable and exceptional wellness services; having a counselor to talk to about my challenges has given me the tools to be a successful student."

Daniel F. – International Relations

Tip: You can also search for courses with little or no textbook costs. When you're searching for courses, click the **Attribute** box and select "No Cost/Low Cost Textbook."

A-Z Index: [Open Educational Resources](#)

Be Ready When Classes Begin

○ Navigate MySLCC

MySLCC is your gateway to important services you will use at SLCC. You will use MySLCC to do a variety of tasks such as checking BruinMail, checking financial aid, searching the SLCC class schedule and registering for classes, among other things.

Need to declare or change your major?

Log in to **MySLCC/Student Academic Profile/Program And Catalog Year Change Request**

Notice: Students are allowed to change their program of study three times per semester.

A–Z Index: [Declaring Major](#)

Need to change your Residency status?

If you believe you meet the requirements to be classified as a resident, you may appeal non-resident status by filling out an Application for Residency Classification. You can access this form online:

Log in to **MySLCC/Residency Classification/Application for Residency Classification**

A–Z Index: [Residency](#)

Get to know Canvas

Canvas is SLCC's learning platform. Canvas is used by online courses and other course types, including lecture and hybrid. It is your virtual classroom or learning space where you will access course material, upload assignments and interact with your instructor and fellow classmates.

24/7 Canvas Support

801-957-5125 (option 1) or
1-844-334-0397 (toll free)
slconline@slcc.edu

Login Questions

801-957-5555 (SLCC IT HelpDesk)

Help Guides & Video Tutorials

slcc.edu/online

A–Z Index: [SLCC online](#)

"Canvas is probably one of the most useful tools I've used in college. The 'To do' list keeps me up to date with my assignments, so I don't fall behind in my classes. Canvas is also a great way to get in contact with your professors and classmates in case you have to miss class or have any questions."

Linda R. – Fashion Design

BruinMail

BruinMail is your student email account and the college's official means of communicating with you. Important messages will be sent to your BruinMail (like messages from your instructors and from the Office of Financial Aid), so you are expected to check your BruinMail frequently.

MySuccess (powered by Starfish)

MySuccess is a tool available through your MySLCC portal that can help you find the information you need to engage with your SLCC community and graduate on time. To access MySuccess, find the **MySuccess** card, then click on the **MySuccess Login button**.

MySuccess will help you:

- **Schedule an appointment with your academic advisor and career coach.**
 1. Fill out the intake form in MySuccess—click your name at the top of the screen, then click the "intake" tab and complete the questionnaire.
 2. Schedule an Appointment—Your Home Page in MySuccess shows key members of your support network here at SLCC. To schedule with someone in your support network you can click on their name. You can also use the search bar to find other people or services at SLCC outside of your direct network.
- **Identify the people in your support network.**
- **Find and get help—today.**
- **Receive feedback from professors, advisors and other staff on campus.**

Go to slcc.edu/mysuccess for video tutorials to learn more!

Your SLCC OneCard benefits:

More information at:
slcc.edu/onecard

- **FREE** printing up to 50 pages at any open lab
- **FREE** access to the library and computer labs
- **FREE** access to SLCC sporting events
- **FREE** access to workout facilities at the LAC
- **FREE** access to UTA transit
- **Discounts** at the College Store, Food Services and Printing Services (Bruin Bucks)
- **Online depositing to e-accounts** (Bruin Bucks)

○ Check Financial Aid Requirements

Important! Complete requirements as soon as possible to avoid disbursement delays.

1. Log in to **MySLCC** and check your BruinMail.
2. Go to **Financial Aid**, then click on **Financial Aid Dashboard**.

3. Submit any additional documents to the Office of Financial Aid and Scholarships.

Questions? Contact the Office of Financial Aid and Scholarships at 801-957-4410.

A-Z Index: [Financial Aid](#)

"Throughout my journey at SLCC, I discovered the incredible truth: it's never too late to pursue education and break down barriers. As an undocumented and returning student, doubts clouded my belief in college. However, at SLCC, I witnessed diverse backgrounds converging, proving that regardless of where we start, it's always the perfect moment to embark on the path of education."

Lee A. – Psychology

○ Arrange to Pay Tuition

Paying your tuition and fees has never been easier. You have the option of paying online through SLCCPay+ (access via MySLCC) with an electronic check, savings account transfer or accepted credit or debit card. You may also pay by phone at 801-957-3914; by mail, or visit one of our locations at Taylorsville Redwood, South City, Miller or Jordan campuses, or West Valley Center to pay in person.

Avoid late fees by paying by the tuition due date or enrolling in a tuition payment plan.

What is SLCCPay+?

Manage your college finances effortlessly with SLCCPay+. Access real-time billing details, make online payments, and set up direct deposit for speedy eRefunds. Opt for the fastest and safest way to receive your refunds—straight to your bank account. SLCCPay+ also provides convenient features like tuition payment plans, authorized user access for payments, free international bank transfers with TransferMate, and more!

Tuition Payment Plan:

This is a way to spread your payment of tuition and fees throughout the semester. This does not reduce your financial obligation to the college.

A-Z Index: [Tuition Payment Plan](#)

○ Purchase Your Parking Permit

As a first-year student, it's essential to know that a valid parking permit is required to park on campus. Parking Services offers a variety of affordable permit options tailored to meet the needs of our students.

To purchase a permit, simply log in to your MySLCC account and navigate to the Parking Services Portal Login. Once there, enter your license plate information and proceed with the permit purchase. This straightforward process ensures that you have convenient and authorized parking throughout the academic year. For additional details and comprehensive information on parking regulations or any other questions you may have, visit slcc.edu/parking or by calling the Parking Services office at 801-957-4011. We encourage you to explore these resources to ensure a smooth and hassle-free parking experience during your time at SLCC.

A-Z Index: [Parking Services](#)

Taking Your First Steps

○ Learn the Academic Expectations

Academic Standards Policy

The academic standards policy exists to help you reach your potential and maintain an expected level of academic performance at SLCC. Good academic standing is achieved when your semester and cumulative Grade Point Average (GPA) are above 2.0. There are different levels of academic standing. Please read the policy online for more details.

A-Z Index: [Academic Standards](#)

Code of Student Rights and Responsibilities

All members of the college community are expected to use reasonable judgment in their daily campus life and to show due concern for the welfare and rights of others. Students are expected to conduct themselves in a mature, dignified and honorable manner. The Code of Student Rights and Responsibilities governs the behavior of our student body.

A-Z Index: [Student Code of Conduct](#)

Writing Assignments: What to Expect

Writing in college can be a challenge for all students. One key to success is knowing what to expect. Keep the following in mind to help you communicate with your teachers and succeed in your assignments.

Faculty expect that you will:

- Take writing assignments seriously and put significant effort into them.
- Read instructions closely and make every attempt to understand what you are being asked to do.
- Ask questions if you are unsure of the assignment requirements or evaluative criteria.

You can expect that faculty will:

- Make you aware of writing support services at SLCC.
- Provide you with a written document that describes a writing assignment and how it relates to course concepts and learning outcomes.
- Tell you how assignments will be evaluated and evaluate them accordingly.
- Answer your questions about writing assignments.
- Give you advance notice of lengthy writing assignments.
- Provide rationale/feedback for your assignment's evaluation.

To see the entire **Writing Expectations** document, visit slcc.edu/wac

Check out the OCSW

The Open Collection of Student Writing is a searchable database full of SLCC student writing on all subject matters from all classes on all course levels.

- SLCC student writing that faculty have awarded an 'A' grade.
- Searchable by program, type of writing and more!
- Formatting and citation examples that faculty and students can use.
- Visit slccocsw.org

Questions?

Writing Across the College 801-957-3232 wac@slcc.edu
Student Writing & Reading Center slccswc.org

"You'll have many different teachers at SLCC and they will have different expectations for your writing. To succeed, ask lots of questions, use the OCSW, and visit the Student Writing & Reading Center!"

Tiffany Rousculp
Director, Writing Across the College

Develop College Success Skills

Time Management

The majority of the schoolwork you do in college happens outside the classroom. For every hour you spend in class (per week), you should spend two hours studying. While you have the freedom to study whenever you'd like, it's also your responsibility to actively manage your time in order to succeed in school. Use your time wisely with these tips:

- **Use an academic planner.** This will help you keep track of class, work, assignments, study times, activities and events. Stay organized and stress-free.
- **Plan your study time.** Make study sessions a regular part of your schedule. Pick a time, find a quiet place and stick to it. Make a to-do list for each study session to help you stay focused. Finally, take breaks. Studying for longer than an hour at a time is ineffective.
- **Use waiting times.** Whether you're waiting for the bus, doing laundry, jogging on a treadmill or passing time between classes, you can make the most of these moments by studying. It adds up.
- **Reward yourself.** After you complete a difficult task, celebrate your achievements. As you plan projects, consider building in rewards at different stages. This is a great way to create motivation and will help you finish your work.

Tip: Visit our Student Success site and learn how to take better notes, study more effectively, succeed in class and more!
slcc.edu/oss/student-success/index.aspx

Self-Directed Learning

In college, you have much more independence as a student. Your instructors expect that you will put in the work necessary to succeed, and more importantly, that you will seek out help when needed. While you will work through complicated and difficult questions, you do not need to do so alone.

- **Utilize office hours.** Your professors keep regular office hours for you to ask questions and get individualized attention. Your professors are here to help.
- **Closely read the syllabus and assignment sheets.** Knowing what's expected of you will make it easier to complete work and do well.
- **Seek out help early. Don't wait until it's too late.** If you're confused or struggling on an assignment, visit with your professor and utilize SLCC's resources.

Skillshops

Skillshops are designed to help you develop habits that are necessary for success in college. Every session involves hands-on activities, giving you the opportunity to apply the material in practical ways. Learn how to:

- Manage your time
- Manage your money
- Prepare for tests
- And more!

Skillshops are free for all students. Register online today!

A-Z Index: [Skillshops](#)

"SLCC offers access to a ton of online educational resources like Canvas, Microsoft365, and the Adobe Creative Cloud. My favorite online resource offered here is access to the Adobe Creative Cloud. Not only is it helpful for art classes, but for personal projects as well."

Kafika S. – Graphic design

○ Get Involved

Students & Events

You have many opportunities to meet new people and take part in SLCC's rich and diverse community. Events include movie nights, guest speaker series, workshops, sporting events and a range of cultural celebrations. Click on the News & Events tab at slcc.edu to find upcoming events.

Meet Your Classmates

Sometimes class is the easiest place to make new friends. Form a study group with your classmates. This is a great way to meet new people and build a group that will support your academic success.

Join a Club

With over 50 different clubs at SLCC, there is something for everyone. If the club you're looking for doesn't exist, you can create a club and attract like-minded members.

A-Z Index: [Clubs and Organizations](#)

Go Beyond the Classroom

The Thayne Center connects students to the community, resources, and programs that cultivate empowerment, leadership, and social change. Check out fun events, leadership opportunities, and basic needs resources in the Thayne Center.

A-Z Index: [Thayne Center for Student Life, Leadership & Community Engagement](#)

"SLCC offers many wonderful programs to students. An example is the Summer Bridge Program, which helped me grow academically and personally. It taught me how to become the best college student through stress management and study skills. The social activities throughout the summer encouraged me to get out of my comfort zone and meet people who would impact my life then and now."

Juliana C. – Communications Studies

○ Seek Help When You Need It

SLCC Technology Services for Students

Wireless Internet Access – SLCC has over 800 wireless access points distributed across our campuses and centers. To access the wireless system, go to support.slcc.edu, type “eduroam” in the search box and follow the instructions for various devices.

Canvas App – Access your courses via your mobile device (Apple and Android). Learning can now take place anytime, anywhere.

Computer Labs – SLCC has more than 150 labs with thousands of computers for student use in classroom settings or open-use labs. Open Labs are available for all registered SLCC students. Each lab has different hours but most are available Monday–Saturday.

- **Taylorville Redwood Campus** Markosian Library & Student Center, 2nd Floor
- **Jordan Campus** JHS Atrium, HTC 100
- **Miller Campus** MFEC 207
- **South City Campus** SCM 1-022, SCM 1-061R
- **West Valley Center** WVC 123

All Access Virtual Desktop – SLCC has a system called AllAccess (AllAccess.slcc.edu) that allows you to run computer lab applications (like Word, PowerPoint, Excel, AutoCAD, MatLab, Maple, etc.) on your personal device for free, from anywhere you have an internet connection. AllAccess also allows you to save files in your “My Documents” folder for later use. Visit AllAccess for training videos and installation instructions.

SLCC Groups App – SLCC Groups is the College's campus engagement app. Connect with campus resources, clubs and community partners, and learn about upcoming events and opportunities. Available for Apple and Android devices.

Ellucian Go – The Ellucian Go mobile app helps you stay connected to SLCC like never before. Check your grades, class schedule, SLCC campus maps and directions, important phone numbers, academic calendar and SLCC events all in one place. Available for Apple and Android devices.

Office 365 Subscription/BruinMail – As an active student, you are allowed a free subscription to download and install Office 365 on up to 5 different devices. You will also have access to 1TB of storage on your OneDrive cloud and can use online services like Delve, Outlook, PowerPoint, SharePoint, Sway, Forms, Yammer and Planner. Students are given access to an email account through M365 (username@bruinmail.slcc.edu). You can connect to your BruinMail from your smartphone or through MySLCC. For more information visit support.slcc.edu or call 801-957-5555

Adobe Creative Cloud – Registered SLCC students can install the Adobe Creative Cloud suite on one personal device for free. For instructions visit support.slcc.edu or call 801-957-5555

Printing – At the start of each semester, all registered students are provided with credits for 50 free prints on their OneCard. These can be used in the campus labs and/or from your own computing device. You can also load more credits on your card for additional prints. We've also implemented MobilePrint (mobileprint.slcc.edu). This system allows you to send an email from your device and go to one of the print release stations in the Open Labs to release your document.

Technology Help – Where can you get technology help? For help with the items on this list as well as other SLCC technology services:

- Help Desk** – 801-957-5555. Email: helpdesk@slcc.edu
- Live Chat** – Click the Live Chat button at support.slcc.edu
- IT Lab Aides** – Ask an IT lab aide in any lab you use for help
- Canvas Support** – 801-957-5125, Option1 or 1-844-334-0397 (toll-free)

Kumo – Kumo is software that allows access to your cloud storage accounts in one location when using SLCC shared computers like inside **AllAccess** or in the SLCC computer labs. You can configure access to your cloud storage through the Kumo Cloud Storage Integration portal. The SLCC Kumo Cloud Storage Portal lets you choose where to store your files (currently OneDrive is supported by SLCC).

If prompted, log in with your e-mail and **MySLCC** password.
Students: username@bruinmail.slcc.edu **Staff:** username@slcc.edu

○ Find Your Way Around

Knowing your way around campus can be stressful in the beginning. Look up where your classes are located and give yourself plenty of time to get to class. If you get lost, don't hesitate to ask someone for help.

Additional Resources

Find more information at slcc.edu/azindex

Athletics

SLCC is home to some of the nation's best sports teams. Join us for competitive intercollegiate athletics throughout the year. See slccbruins.com for a full schedule of events.

Auto Parts Center

Call to schedule an appointment for your auto collision repair or refinishing work. Repairs performed by auto collision students. For more information, call 801-957-5346.

Bruin Pantry

We provide safe, quality and nutritious food for SLCC students in need. We also increase awareness and access to community resources. Available at the Jordan, Taylorsville Redwood, South City and West Valley campuses.

Campus Recreation Lifetime Activities Center (LAC)

We provide a facility for students, staff and community to obtain and maintain a healthy lifestyle. A variety of recreational, academic and athletic activities are available.

Campus Security

Help with keys locked in cars, lost and found information and parking lot escort service. Visit slcc.edu/safe for more information.

Cashier Services

Pay tuition by phone, online or in person. Additionally, we are here to assist with questions about billing, tuition payment plans, refunds, and sponsorships.

Center for Health and Counseling

A one-stop-shop for all your health and wellness needs! We offer quality, accessible, and affordable services, including mental health counseling, medical services, and massage therapy on multiple campuses. Fee-waivers are available for students in financial crisis and provide five medical or counseling appointments at no cost. Visit slcc.edu/chc to view information about services offered, prices, staff biographies and more! Follow us on Instagram [@slcc_chc](https://www.instagram.com/slcc_chc)

Child Care & Family Services

Financial assistance is available for both on-campus and off-campus licensed care. Eligibility required.

BRUIN Pantry

We provide safe, quality, and nutritious food to SLCC students, faculty, and staff. Hygiene, period products, and diapers are also available. We aim to destigmatize food insecurity and provide resources for other basic needs. Come in and visit us!

College Catalog

Detailed descriptions of academic policies and programs, course content, tuition, graduation requirements and more.

Dental Hygiene Clinic

All services performed by SLCC dental hygiene students under the direct supervision of licensed dental professionals.

Dining Services

Providing fresh, local, tasty and nutritious food at market prices. Wide range of retail operations at multiple campuses.

Emergency Alert System

Method to notify all students in the event of an emergency.

Gender and Sexuality Student Resource Center

We support students who identify as LGBTQ+ (an acronym for lesbian, gay, bisexual, transgender, queer, questioning, intersex, or asexual, as well as other gender and sexual minority groups and their allies). Stop by today if you need help navigating college or if you are looking for more involvement opportunities. Located at the South City Campus, room SCM 1-140. For more information visit slcc.edu/lgbtq

Globe Newspaper

Every edition is created, written and published by students each Wednesday during fall and spring semesters. We combine our skills to provide the best SLCC news.

Grand Theatre

High-quality theater, concerts and educational outreach programs to enrich the community through the performing arts and humanities. Receive free tickets to Grand productions with your OneCard. grandtheatrecompany.com

International Student Services

We care about all of our international students and are your home away from home. We are your headquarters for immigration advising, personal support, academic support, cultural adjustment and opportunities for friendship and leadership.

Office of the Registrar and Academic Records

Maintains all student records from application to degree conferral. Transcript requests, transfer evaluation, personal information, verifications and more.

Physical and Occupational Therapy Clinic

Free of charge services provided to individuals who do not have insurance, are referred or have exhausted their benefits.

Printing Services

We print everything from flyers, business cards, stationery, booklets and postcards to professional full-color brochures, signs and banners. A wide assortment of promotional items are available, including t-shirts, water bottles, invitations, stickers, mouse pads and more.

SLCCSafe

Together, we'll keep SLCC safe and secure. Visit the SLCCSafe site for safety resources, emergency procedures and how to report. slcc.edu/safe

Student Produced TV Programs

Shows produced by students specialize in news, sports and entertainment.

Study Abroad

Broaden your horizons with international study opportunities.

Testing Services

Come see us to start the placement process. We also offer GED and CLEP testing, Challenge Exams and proctoring services.

Thayne Center for Student Life, Leadership & Community Engagement

Providing students with opportunities to have a voice, get involved, find their place and shape moments of inspiration. We are dedicated to empowering students to realize they have the knowledge and skills to affect positive change in their community. Come find your place at SLCC, attend student events, develop your leadership skills, get involved with the community, and secure your basic needs.

Title IX and Discrimination Resources

SLCC is committed to a campus community free from abuse, intimidation and harassment. For questions about your rights or if you have been a victim of gender-based discrimination or sexual misconduct log on to slcc.edu/title-ix/index.aspx

Veterans Services

From integration to college life to attaining your educational and employment goals, we are dedicated to assisting you in exploring services for veterans at the College.

HONORS PROGRAM

SALT LAKE COMMUNITY COLLEGE

Who Can Apply:

The Honors Program is looking for students passionate and motivated to go above and beyond in their academic journey by engaging in honors courses, community and campus events/lectures/workshops, and pursuing High-Impact Practices (HIPs) like ePortfolio, undergraduate research, publication, internship, community-engaged learning, and study away. The Honors Program is open to students of any major whose educational goals include transfer to a 4-year college or university. There is no GPA requirement to apply to the Honors Program.

Benefits:

- Increased opportunities in preparation to transfer to four-year institutions
- Individualized success coaching and funding support
- Students interact and form mentorship connections with a diverse community of honors peers, staff, and faculty from a variety of disciplines
- Upon graduation, students receive special recognition, an honors medallion, and an honors designation on their transcript
- Transfer articulation agreements with four-year honors colleges including University of Utah, Utah State University, Westminster University, and Southern Utah University

BRUIN SCHOLARS

YOUR GUIDE TO SUCCESS

The Bruin Scholars program is specially designed to support first-generation, undocumented, transitioning-out-of-foster care, nontraditional students and students who just need help figuring out college. Our staff and peer mentors can help you have a smooth transition to SLCC and can be your support system when things get tough. As a Bruin Scholar you will receive exclusive invitations to program events, registration assistance every semester, access to campus and community resources and a chance to connect with other SLCC students and potential mentors.

WHAT'S IN IT FOR ME?

- Personalized attention from a dedicated staff member
- Exclusive invitation to program events
- Personalized registration assistance
- Connect to campus and community resources
- Connect with peers

YOU WILL BE EXPECTED TO...

- Take the appropriate English and/or math class every term until you finish the requirements for your program of study.
- Attend at least two campus events outside of the classroom.
- Meet with your assigned Bruin Scholars staff member at the beginning of the semester to set academic goals and for a midterm check-in meeting.

**BRUIN
SCHOLARS**
Your Guide to Success

We Help Pay For College.

It's that simple.

At Salt Lake Community College, we believe higher education should be available to anyone who desires it. SLCC Promise helps eligible students pay for their education by covering the cost of tuition and fees when federal grants fall short. SLCC Promise is intended to remove economic barriers and to provide a pathway for SLCC students to complete their degrees.

slcc.edu/promise

We connect students to the community, resources and programs that cultivate empowerment, leadership and social change.

Have fun and become a leader

- As an SLCC graduate, you'll be a leader in your new job, for your family, and your community. Check out our website for a list of events, review SLCC's 50+ clubs, and so much more!
- Make friends at fun student events.
- Join a club based on your interests, identities, and academic studies.
- Attend free leadership workshops and trainings.
- Improve your school through SLCCSA and student forums.

Engage with your community

- Great leaders value and engage their community. We'll get you started. Check out our website for easy ways to fulfill service hours, enact social change, or get connected with a community-based organization.
- Participate in SLCC Serves Day of Service or a monthly service project.
- Get paid by using your work study at a community-based organization.
- Manage a plot in one of SLCC's community gardens.
- Apply to attend an Alternative Break service project.

Cover your basic needs

- Affording school and life can be challenging especially with the growing costs of living in Salt Lake. Check out our website for updated hours and a full-list of basic needs programs.

- Visit one of our 5 Bruin Pantry locations for (free) fresh foods, the basics, and hygiene products.
- Connect with our coordinator if you're struggling with housing costs or other basic needs.

Become a leader...it has perks!

Get your tuition covered while also developing your leadership skills: apply to one of Thayne Center's Peer Leader positions in the following programs: SLCC Student Association (SLCCSA), Bruin Pantry, Student Events, Clubs, Service, and Alternative Spring Breaks. Check out our website for the application in summer. slcc.edu/thaynecenter/index.aspx and follow us on Instagram [@thaynecenter_slcc](https://www.instagram.com/thaynecenter_slcc)
