

# Concurrent Enrollment Summer Academy Student and Parent Participation Agreement

In consideration for Salt Lake Community College (“SLCC”) permitting the minor Student (“Student”) to participate in the SLCC Concurrent Enrollment (“CE”) Summer Academy Program (“Program”), I, the student, understand and agree to the following:

## For the Student

1. If I have not done so already, I agree to complete the SLCC Admission Application within two weeks of receiving my acceptance email, or prior to May 31, 2024, whichever occurs first.
2. I agree to register myself for the class I have been approved to participate in within two weeks of receiving my acceptance email, or prior to June 7, 2024, whichever occurs first. I understand instructions for registration will be sent to me via email.
3. I affirm my high school transcript states that I have completed my sophomore year in high school prior to participating the CE Summer Academy Program, or that I am entering my senior year in Fall 2024. I acknowledge, understand, and agree that I may be requested to provide documentation affirming as such, and if I fail to do so after a request is made, I will be dropped and removed from participation in the program.
4. I acknowledge, understand, and agree that I will be responsible for all textbook costs, course fees, and other required costs associated with the participation in the class. This cost is in addition to the five dollar (\$5.00) credit tuition for cost of participation in the Program.
5. I understand that I may only take one (1) class through the CE Summer Academy Program per year.
6. I agree that I will attend every class and will notify my instructor if I cannot attend due to an unexpected medical or family emergency.
7. I understand that eight (8) week college classes can be intense in terms of the amount of content condensed in a shorter period of time, and I am prepared to invest the time and commitment necessary to be successful.
8. I agree that I will communicate with my instructor if I encounter difficulties with the class.

I understand that failure to do any of the above items may result in either a poor grade or my being dropped from the program.

## For the Parent/Guardian

I hereby certify that I am the parent or guardian of the Student, described above. I consent to his or her participation in the Program. In consideration of the Student's participation in the Program, I, the Parent or Guardian, understand and agree to the following terms:

1. I agree that I will support my student by encouraging them to attend class, checking in with them to see how they are doing, and not planning family vacations during times that would conflict with my student attending class.
2. I understand that my student may only take one (1) class through the CE Summer Academy Program per year.
3. The SLCC Concurrent Enrollment Summer Academy Program is a Salt Lake Community College program, not a high school program, and as such operates through SLCC. I acknowledge and understand Family Educational Rights and Privacy Act ("FERPA") law prohibits SLCC from releasing certain personally identifiable information from a student's record to a third party (e.g. parent, guardian, etc.) without the student's explicit consent. I acknowledge and understand if a student is attending a postsecondary institution, at any age, the rights under FERPA have transferred to the student. I acknowledge and understand if the student is under the age of 18, the parents or legal guardian still retain rights under FERPA at the high school and may inspect and review any records sent by the postsecondary institution to the high school.
4. I acknowledge and understand that SLCC CE courses offered through the Program may contain controversial cultural, religious, political, aesthetic, and human sexuality topics, as well as some nude artwork in the ART 1010 class. I knowingly and voluntarily, accept, acknowledge, and understand students must have the maturity to engage with this material objectively and in an academically appropriate manner.
5. I acknowledge and understand that students taking ENGL 1010 and MATH 1030 must first meet qualifying criteria listed on the SLCC Concurrent Enrollment website. I knowingly, voluntarily, accept, acknowledge, and agree that it is the student's sole responsibility to make sure they meet the criteria.
6. I acknowledge and understand students participating in the Program have completed their sophomore year in high school prior to participating the CE Summer Academy Program or are entering their senior year Fall 2024. I knowingly and voluntarily represent that the student applying herein meets these criteria. I acknowledge and understand students who do not meet these criteria will be dropped and removed from participation in the Program.
7. I acknowledge, understand, and agree that students participating in the Program will be responsible for all textbook costs, course fees, and other required costs associated with the participation in the class. This cost is in addition to the five-dollar (\$5.00) credit tuition for cost of participation in the Program
