# Impact Summary

## Community-Engaged Learning

Community-Engaged Learning (CEL) supports the achievement of course learning outcomes through experiential service opportunities with community partners. Students learn about the academic discipline and important social issues while engaging in critical reflection.

Race and Ethnic Demographic of CEL Students in Comparison to Salt Lake Community College (SLCC) Population

## Community-Engaged Learning Student Fund

The CEL Student Fund supports students enrolled in CEL classes and select other programs. Students may request funding to offset costs directly related to their service projects!

Approved CEL Student Fund Proposals

\$4,560

Funding for CEL Projects

# Civically Engaged Scholars

Civically Engaged Scholars (CES) is a degree distinction program which encourages students to connect with people in their community, get involved, and think critically about important issues. CES participants learn about the importance of community involvement in the classroom and have the opportunity to apply that knowledge through hands-on experiences with our local community partners.

**63** CES Graduates

**4** Conferences

Including:

- Generation Volunteer Summit
- International Model United Nations
- Governor's Mansion UServe Show Up Higher Education
- Utah Conference on Community Engagement

**18,900**  
Service Hours

Engaged Scholar ePortfolios**

# Study Away

Study Away (i.e., Study Abroad and Domestic Study) integrates classroom and community-based experiential learning, where students gain an understanding of the diverse environments and cultures around us. Students explore various cultures, human differences, languages, and natural environments while also learning about critical social issues.

Scholarship Funding Awarded

# \$45,230
