

Transition to Teaching, Secondary Teacher APPEL—Licensure Information

UPDATED: 8/6/2024

The [SLCC Transition to Teaching, Secondary Teacher](#) program is for teacher candidates with a bachelor's degree in a subject area taught in Utah schools and who are currently teaching in a Utah public school under contract but have not completed a teacher preparation program. To be eligible, teacher candidates must have already received an Associate Educator License through the [Utah State Board of Education](#). Teacher candidates who participate in this program have an APPEL (Alternative Pathway to Professional Educator Licensing) agreement with a Utah school district. It is highly recommended that students consult in advance with the [Utah State Board of Education](#) to find out more about eligibility for licensure.

Required Fees (As of 8/6/2024. Fees can change at any time.)

Praxis Exam Fee \$90 (some students take more than one Praxis exam.)

The SLCC Transition to Teaching, Secondary Teacher program is not designed to meet licensure requirements in any state other than Utah. Licensure is the exclusive right and responsibility of each state. If you are interested in the steps to licensure in other states, click on the state name below for more information.

If you have questions about certification requirements in other states, please contact [Maria Griffin, Program Coordinator](#) at 801-957-5423 for help.

States and Territories	Licensure Information
