FALL 2025 COHORT SELECTIVE ADMISSIONS REQUIREMENTS

All prerequisites must be completed before applying to the Radiologic Technology program. You must earn a grade of B- or better in BIOL 2320/2325 and taken it within the last five years. The other prerequisites must be completed with a C grade or better. All prerequisites have a limit of two attempts every 5 years. The highest grade of the two attempts will be used.

Please note that the SLCC Radiologic Technology program does not accept transfer credit from any other Radiologic Technology program.

Course Number	Course Description	Credits
Any Composition (EN) Course		3
MATH 1010, 1040 or higher	Integrated Algebra	4
BIOL 2320 & 2325	Human Anatomy and Anatomy Lab	4
RADS 1010	Intro to Radiologic Technology	2

Applicants are encouraged to complete corequisites before applying to the program. Additional consideration will be given to applicants who have taken and meet minimum grade requirements for any COMM course and HS 2050 or any HR course at the time of application.

IMPORTANT NOTES ABOUT TRANSFER CREDIT

- It is the applicant's responsibility to make sure their transfer credit has been fully transferred to SLCC prior to the program's application deadlines.
- If a student has courses they are transferring from another school, their transcripts must be evaluated by the SLCC Transfer Evaluation Office and their **grades must be posted to SLCC DegreeWorks (their MySLCC account) before** the program's application deadline (priority and final application deadlines apply). IT CAN TAKE SEVERAL WEEKS FOR TRANSCRIPTS TO BE EVALUATED.
- Students should declare Health Sciences as their Area of Study and Radiologic Technology as the Program of Study when applying to SLCC. If the program of study does not match the information submitted on the transfer evaluation request, courses applicable to the program may not be transferred to SLCC.

VERIFICATION OF HIGH SCHOOL GRADUATION OR EQUIVALENT (GED)

Proof of high school graduation is required to apply. Documentation may include a transcript, diploma, or a letter of explanation if you do not have supporting documentation. *You will be required to upload this information as part of your application.*

INTERVIEWS

Multiple mini-interviews (MMI's) and a possible Standardized Video Interview (SVI) will be conducted for top-ranking applicants after the admissions session has closed. The number of applicants interviewed will be based on the available number of clinical spots and then doubled. Notifications will go out to those eligible to be interviewed within 10 days of the admissions session closing. Interviews will be conducted in-person on February 18th - 20th, 2025, eligible applicants will be required to sign up for a one-hour time slot on one of the days to complete the MMI. SVI's will be online, instructions for completion will be sent via your bruinmail.

PREFERRED BUT NOT REQUIRED

Applicants who submit documentation showing the following experiences of at least 3 months or more may be given extra consideration for the program if they have fulfilled all the program application requirements.

- **Worked in customer service** – Must submit a signed letter from your employer (on letterhead) that states your job title and the duration of your employment.
- **Worked in healthcare without hands-on patient care or volunteered only within the last 5 years** - Must submit a signed letter from your employer (on letterhead) that states your job title and the duration of your employment.
- **Worked in healthcare with direct, hands-on patient care within the last 5 years** - Must submit a signed letter from your employer (on letterhead) that states your job title and the duration of your employment.

Applicants who submit documentation showing the following experiences may be given extra consideration for the program if they have fulfilled all the program application requirements.

- **Time spent observing or shadowing, in a radiology setting within last 5 years** - Must [submit this form](#) as part of your application verifying shadowing hours to count these points.
- **Radiologic Practical Technician work experience** – Must submit a signed letter from your employer (on letterhead) that states your job title and the duration of your employment.
- **Graduated from an AHEC program or completed a MA or CNA certification within the last five years** – Must submit certification.
- **Community Engagement** - Applicants that have demonstrated a willingness to serve others through volunteer community engagement will receive additional consideration on their application. Community engagement can be volunteering at food banks, homeless shelters, emergency assistance programs, neighborhood cleanup programs, etc.

6/2024

Community Engagement Criteria:

- Engagement should have occurred within the last five years and since high school graduation
- Must be performed within the state of Utah
- Continual experiences encouraged
- Must be served without payment or reward
- Service engagement with underserved groups or populations is encouraged
- Only one experience will be considered for the application

Submit a letter of recommendation from the mentor who supervised community engagement as part of your application. The letter must discuss the type of service, length of time committed to serving, and where the service was performed.

Any document or information you wish to have considered on your application must be uploaded while completing your application. Additional documentation cannot be considered once you have submitted your application.

HEP B IMMUNIZATION REQUIREMENT

Students conditionally accepted into the Radiologic Technology Program must be able to provide proof of immunity by way of titer or non-responder status to Hepatitis B no later than June 1st, 2025. For students not immune after an initial series, the repeat process can take 3-7 months depending on series given and a repeat titer. It is ***strongly encouraged*** that students be aware of their immunity status and plan accordingly to meet the deadline. Students unable to provide a final immunity status by June 1st, 2025, will have their conditional acceptance offer withdrawn.

HOW TO APPLY

First-time applicants to the Health Sciences admissions portal will be required to register to use the site. You can register here **https://slcc.my.salesforce-sites.com/HealthSciencesRegistration/ERx_Forms__PageMaker?pageId=Registration**.

To login to your applications once you've registered, **https://slcc.my.site.com/HealthSciences/ERx_Forms__Portal_Login**.
