## SEEA

*The SEEA office is a vibrant and dynamic space that is more than just a venue; it is a cornerstone of our identity, where our community gathers to learn, collaborate, and thrive.*

### What is SEEA

*At SEEA, we are committed to creating a welcoming environment that recognizes and celebrates the diversity of our student body. By embracing our different experiences, we can develop a more comprehensive and supportive community. Our dedication to assortment is not just a statement; it is a principle we actively uphold through our student access and success initiatives, success programs, and holistic support services.*

*SEEA offers mentoring, success coaching, and a variety of workshops to assist students. We are proudly located in STC 101 on the Taylorsville Redwood campus. This vibrant and dynamic space is not merely a physical location but a vital part of our identity, where our community comes together to learn and grow.*
